That each of the said owners of abutting property shall be personally liable for the amount herein assessed against him or her, and that the said personal liability and lien shall be enforced by the City for the benefit of the owner and holder of the said assessments and claims, either by sale of the said premises by the same officer and in the same manner as is provided for the sale of property for taxes under the laws and charter of the said City, provided that such sales need not be made at the same time as for general taxes, or at the option and upon the request of the owner and holder of the said assessments, claims, or certificates, by suit brought by the City for the benefit of such owner and holder in any Court having jurisdiction, provided that the City shall be first secured to its satisfaction against reasonable costs and expenses to be incurred in such action or actions.

That said assessments and claims of personal liability are hereby expressly made payable to and shall be paid to the said Plains Paving Company, or its assigns, and that neither the said City, nor any officer or employee thereof, shall

That for the purpose of evidencing the said assessments and lien the said City, acting by its proper officers, shall execute and deliver to the said Plains Paving Company upon the completion and acceptance of the said work of improvement, assignable certificates, in writing which shall contain the name or names of the property owners as assessed hereby, the description of his or her property, either by lot or block number or by reference to the name of the owner thereof, or if owned by an estate by so describing the same, or by the front feet thereof, or by such other description as may be necessary to identify the same, and shall state the amounts payable thereunder, together with the terms of payment as herein provided, and providing for the payment of interest and attorney's fees and costs as heretofore set forth, and for the maturity of the said assessments in the event of default, and such certificates shall further provide and shall recite that the proceedings which reference to making such improvements have been regularly had in compliance with law, and that all prerequisites to the filing of the assessment lien against the property described in the said certificates, and the personal liability of the owner, have been performed, which recitals shall be prima facie evidence of the facts so recited. The said certificates shall further provide for the enforcement of the assessment and lien therein set forth by the City by sale of the property assessed, or by suit as heretofore provided.

The amounts payable upon the said assessments certificates shall be payable to the Collector of Taxes of said City, who shall receive and receipt for the same, and upon presentation of the said certificates, or coupons having reference to the payment made, shall endorse said payments upon the said certificates or coupons and shall at once deposit the sum or sums paid with the Treasurer or legally appointed depository of the City of Amarillo, who, upon presentation of the said certificates, or coupons, so endorsed, shall pay the same to the owner and holder thereof, and the presentation of the said certificates or coupons shall be the Treasurer's warrants for making such payment, and upon the full payment of any coupon, or full and final payment of such certificate, the same shall be surrendered, to said Treasurer and cancelled, and upon such full payments, surrender and cancellation, the City of Amarillo, acting by its Mayor, shall execute and acknowledge a release, which shall have the effect of full discharging the said assessments, claims and lien and sums so paid upon said assessments, and certificates shall become and remain part of a separate and special fund to be known as "South Polk Street Paving Fund," and shall be a special and sacred paving fund, which shall not be disbursed or drawn on for any other purpose, except the payment of said assessments.

The said certificates shall be signed by the Mayor of the City, attested by the City Secretary, with its corporate seal, and there may be attached to said certificates coupons evidencing the first and second payments thereof, or all of said payments, or the said certificates themselves may evidence all of said payments, or the last payment, and said coupons, if attached, shall be sufficient, if signed with the facsimile or lithographed signatures of the said Mayor and City Secretary, and having the impression thereon of the Seal of said City. That the said certificates may contain such other statements and recitals as the Commission may direct, and upon the full completion of the said work of improvement and acceptance by the City shall be issued and delivered to the said Plains Paving Company, or its assigns, in writing.

That Ordinance No. 411 and all ordinances and parts of ordinances in conflict with this ordinance are hereby repealed and declared of no further force and effect.
